## **FROM THE PRINCIPAL'S DESK**

**Dear Parents,  
Greetings!**

**We trust that you are well-prepared for the prevailing dip in temperature. Our sincere hope is that our children embrace the winter season and the approaching holidays with immense enthusiasm.**

**I want to express my gratitude to everyone for their wholehearted cooperation during our Annual Sports Day, which concluded successfully on December 2, 2023. Witnessing the spectacular performance and remarkable teamwork displayed by our children was truly overwhelming for me. May they continue to excel in their endeavours.**

**As we embark on the last quarter of the current session, I encourage you to take proactive measures to ensure that each child concludes the academic year with a sense of fulfillment and achievement. Let there be no lingering regrets for unaccomplished goals in AY 2023-24.**

**Our students will soon face the annual exams, and it is crucial that we support them physically, mentally, and emotionally to navigate the challenges ahead in the next three months. Remember, victory and defeat are mere incidents—they do not define an individual. Let's instill in our children the ability to face both with grace and style. We must convey to our children that celebrating victories enriches us, and the experience gained from defeats contributes to personal growth.**

**It is paramount that our children not only succeed academically but also become compassionate individuals with strong values and develop the right attitude.**

**Wishing you all a joyful and fulfilling vacation with your children.**

**Warm Regards,  
Roopali Kudesia  
Principal**
