FROM THE PRINCIPAL'S DESK

Dear Parents,
Season's greetings from AMPS family!

We hope this newsletter finds you and your families in good health and high spirits. As winter envelops us in its chilly embrace, I trust you are all staying warm and well-protected from the cold.

January month has been a difficult month for having the outdoor activities. However, the month gave us the perfect time for indoor coziness and family bonding. I encourage you to take advantage of this slower pace, enjoying quality moments with your loved ones in the warmth of your home. Winter provides a perfect backdrop for strengthening family ties and creating lasting memories.

As we settle into the new year, our students will soon be gearing up for upcoming exams. Let's support and guide them through this period, ensuring a conducive environment for focused study.

A healthy balance between relaxation and academic preparation is key to their success.

Remember, good health is paramount. Ensure that your children are well-nourished, getting adequate rest, and maintaining a healthy routine. This not only boosts their immune system but also enhances their ability to concentrate and perform well in their studies.

Wishing you all a wonderful year ahead filled with warmth, togetherness, and success in all your endeavors.

Warm regards,
Roopali Kudesia
Principal
