HOLIDAY HOMEWORK

CLASS - V

NAME -

**SUMMER
BREAK**

Dear Students,

Holidays offer opportunities to find a new passion, set goals and to reflect. They also bring delight as they provide recreation and relaxation.

As we embark on the summer break, we need to take a moment to express the gratitude to all those who have contributed at every step of our life. When we give cheerfully and accept gracefully, everyone is blessed.

Let's use this break to cultivate a sense of responsibility and independence. Take the initiative to handle your everyday chores and tasks on your own. By doing so, you not only relieve some of the burden from your loved ones but also develop important life skills which will serve you well in the future.

The homework provided for this summer vacation is purposefully designed for your holistic growth. Let your creativity and curiosity flourish as you explore the topics and engage in the tasks at hand.

Here are some important tasks to undertake: -

- 1. Library Exploration: Choose a book in both Hindi and English from class/school library. Read these books during the vacation and practice one page of handwriting from each of the books.**
- 2. Epic Journey: Dive into our cultural heritage by reading "बाल काण्ड" from our ancient epic- "रामायण"
An MCQ test will be conducted after the vacation.**
- 3. Family Connections: Embrace the joy of family time during the break. Visit your relatives and cherish these moments. Share your experiences by documenting them in English, capturing the bonds and memories formed.**
- 4. Experience the Divinity: Explore the richness of our diverse religious traditions. Visit a religious place and immerse yourself in its divine atmosphere. Reflect on your visit and share your insights in Hindi.**

We are excited to see your progress and hear about your experiences when we return. Let's make these holidays special with lots of fun and imagination
