Bokaro, October 30: M.G.M.H.S. School, Sector IV, rejoiced in the spirit of Diwali by hosting a series of competitions that unveiled the talents of its young scholars, illuminating the festival with creativity and charm.

The students of Classes VI-VIII were engaged in a Diya Decoration Competition, adorning humble clay lamps with vivid hues, beads, feathers, and laces—each creation a testament to their artistry and vision.

Meanwhile, students of Classes IX-X displayed their ingenuity in the Rangoli Making Competition, crafting exquisite patterns that mirrored the richness of India's cultural heritage. These rangolis embodied harmony and hope, symbolizing the very essence of Diwali.
