

INVESTITURE CEREMONY

2024-2025

"A leader is one who knows the way, goes the way and shows the way."

To celebrate leadership, the Investiture Ceremony was organized in the school where students were officially vested with the responsibility of leading the student body. This ceremony marks the installation of new student council members who are ready to take on their roles and responsibilities with diligence.

The ceremony commenced with the auspicious lighting of the lamp, symbolizing the dispelling of darkness and the ushering in of wisdom and knowledge. The dignitaries, including the Principal and other esteemed guests were there to do the honour.

Following the lamp lighting, the newly elected members of the student council were called upon the stage to receive their badges and sashes. They were presented by the Principal and other dignitaries, signifying the trust and confidence bestowed upon the students. The badges and sashes serve as a reminder of the responsibilities that the student leaders are expected to uphold.

With their badges and sashes in place, the student council members took the pledge. They solemnly vowed to perform their duties with sincerity and dedication, to uphold the values and traditions of the school, and to strive for excellence in all their endeavours.

The ceremony concluded with the principal encouraging the newly inducted leaders to take their responsibilities seriously and to always act with integrity and dedication.

In all, it was a momentous occasion, filled with pride and anticipation for the year ahead. It marked the beginning of a journey for the student leaders, who are now entrusted with the task of guiding their peers and contributing positively to the school community.
