

A Tribute

Dear Students, parents, teachers and well wishers

We are delighted to welcome you all to St. Michael's School Sonewari, Maihar. The Benjamin Family and St. Michael's Society together strive to fulfill the dreams and vision of the founder members, Late Mr. Jeremiah Benjamin and Late Mrs. Jeanette Benjamin, to reach out to students through this institution, to make the learning system both conform to high academic levels and to serve the needs of the society as well.

As a tribute to our founder members, let us commit ourselves to serve and transform lives, to help our students practice virtue and reject vice, to instill culture.

There is a nobility in the duty to care for creation through little daily actions, and it is wonderful how education can bring about real changes in life style.

Education in Environmental responsibility can encourage ways of acting which directly and significantly affect the world around us. Thus we wish to go beyond the letters in the page of textbook.

Our endeavor is to always encourage our students to give them the skill, courage optimism and integrity to pursue their dreams.

We express sincere gratitude to all those who extended their whole hearted services and support to accomplish this noble cause.

MAY GOD BLESS THEM BOUNTIFULY

We look forward to your support in this journey of excellence.

With warm regards
