

## **Social Outreach Program by Pilar Outreach Foundation**

### **BLANKET DISTRIBUTION DRIVE**

The Pilar Outreach Foundation has initiated a Blanket Distribution Drive as part of its commitment to social welfare. The drive began with the distribution of blankets among Class IV employees, support staff and construction site workers, ensuring warmth and care for those in need during the harsh winter months.

“No one has ever become poor by giving.” – Anne Frank

This thoughtful initiative reflects the foundation’s dedication to supporting the underprivileged and fostering a spirit of compassion within the community.
