

## Report On The Visit To Delhi Book Fair

A visit was organized for the students of Class VI to the 29th Delhi Book Fair at Bharat Mandapam, New Delhi, on August 6 and 7, 2025. On August 6, students attended the inauguration ceremony, where Hon'ble Chief Minister of Delhi, Smt. Rekha Gupta shared her dream that every child should develop the habit of reading more books and she encouraged young minds to explore the world through reading. On August 7, more students from Class VI visited the fair and got the opportunity to explore a wide range of books and exhibits.

The book fair was organized by ITPO and the Federation of Indian Publishers, with the theme: "Books and Publishers: The Future of Multilingual India" (पुस्तकें और प्रकाशन: बहुभाषीय भारत का भविष्य)

Students explored the book fair with great excitement. They discovered new books, including storybooks, science books, comics, encyclopedias, and more. Apart from books, they also enjoyed looking at educational games, posters, bookmarks and other fun learning materials. It was a joyful and enriching experience that inspired students to read more and appreciate the beauty of books in many languages.
