Success is the sum of small efforts, repeated day in and day out.” – Robert Collier

Dear Parents,

It gives me immense pleasure to share that our school has been awarded the Best School in Academics achieving First Position (Third time in a row) in Senior Secondary Category at the Annual Education Conference organized by the IAF Educational and Cultural Society for the academic year 2024-25.

This award is dedicated to all our students who have worked incredibly hard and excelled in their academic pursuits.

Let us celebrate this achievement as a community, while remembering that every step we take together paves the way for even greater accomplishments in the future.

Thank you for being an essential part of our school family. Let's continue to strive for excellence together!

Warm Regards,

Principal
