Dear Parents,

I am delighted to share the wonderful news that TAFS has been ranked the No. 1 school in South West Delhi by the prestigious Times School Survey 2025, as published in the Times of India on September 30, 2025.

It is a matter of great pride for us to be recognized as number one School for the third consecutive year!

The ranking reflects our commitment to excellence across various areas, including our top-notch infrastructure, outstanding academic performance, and a well-rounded program of extracurricular activities.

Each of these aspects plays a vital role in ensuring the holistic development of our students.

I would like to extend my heartfelt gratitude to all the parents for your continuous support and trust in us.

Your active involvement is crucial in creating an environment where our students can excel both academically and personally.

Together, let us continue to strive for excellence and provide the best educational experiences for our children.

Thank you once again for being such an important part of our journey.

Warm regards,

Principal
