Circular to Parents (UKG-XII) - School Transport

Dear Parents,

1. New Academic Session 2024-25 will commence from 01 April 2024. School transport will ply on all the existing 15 routes from Saturday, 01 April 2024.
2. Please note that we need to know the exact number of students who will use the school transport to commute to and from school and require your feedback for the same.
3. The existing transport fee for each student per month is Rs. 3,500/-per month which may change on the basis of hiring charges of school buses and number of students willing to avail the facility. Transport fee will be reflected in the fee slip, along with the tuition fee, generated at school and has to be paid on quarterly basis.
4. As per the provisions mentioned in school diary under heading School Transport "Discontinuation of bus is permitted with one month's notice or part with bus fee charges in lieu of the notice period. Students are not allowed to discontinue the bus facility in the last quarter." Parents are requested not to send request for discontinuation of buses after December month. However, the request to change the route numbers will be entertained.
5. The bus routes on which the school buses are plying, are uploaded on the school website (<https://www.tafssp.com/bus-routes.html>).
6. Please also note if there are no sufficient number of students on any particular route, that route may be discontinued, in order to maintain economy of transport charges.
7. If you still wish to use the school transport for your ward, kindly download the undertaking from the school website (<https://www.tafssp.com/bus-routes.html>) or from the student's portal and take a printout of it. Please fill it up and submit to your ward's class teacher latest by **27 January 2024**. Subsequently, the willing parents have to submit the transport form and indemnity bond of their wards.
8. We look forward to your support and co-operation in this matter.

Warm regards

(Amita Gupta)
