MINIMUM STANDARDS OF SCHOOL SAFETY
FOR PRIVATE SCHOOL CABS ORGANISED BY PARENTS

Dear Parents,

1. Please refer our advisory on minimum standards of school safety for private school cabs (organized by parents) which was circulated vide our circular TAFS/101/Bus/Adm dated 19 Jan 2018.
2. It is noted with concern that van drivers hired by the parents are not adhering to the school timings. In that they failed to reach school on time on regular basis, which in turns results in late reporting of students for classes. It is informed by the children that this delay is primarily due to ill maintenance of these school vans, resulting in frequent breakdown mainly due to inflated tyres during commuting the students.
3. This issue not only hampers the studies of the students but also compromise the safety of the students travelling in these school vans. All parents are hereby advised to ascertain that the mode of conveyance they have opted for their children are meeting the guidelines circulated by the Hon'ble Court and Delhi Government authorities (including standard safety guidelines).
4. Your proper compliance and an early action will be genuinely appreciated.

Yours faithfully

(Amita Gupta)
