

Education is the movement from darkness to light. To me education is to make a child proficient in academics such that the student may function with clarity and efficiency in the society. At Tagore we always try to create the right environment, so that child may develop fully as a complete human being. Tagore Public School is a rainbow of talents, a spectrum of values and a roadmap for future representatives of India. It is A Hope, A Promise and A Dream...

My heartiest good wishes for my beloved students for a fruitful and successful journey of life.

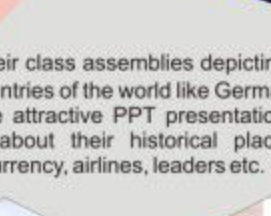

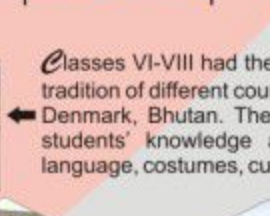

Manorma Arora (Academic Director)

Student council is built on student consultation making their voice heard and there by integrating them as a part of organisational system. Hence the students were given the first formal training of leadership when the student council was inducted on 5th August'17. Head Boy Sachin Gupta and Head Girl Priyanka Hans took the oath along with the 36 elected members of council.

To inculcate discipline and good values amongst students, various workshops were conducted throughout the session for students of classes I-VIII. Various sensitive topics were taken up like Adolescence, No Bullying, Good touch & bad touch, effective discipline to sensitize students about the impact of their behaviour on fellow students, why should they respect self and how to keep themselves safe.

Laughter is an instant vacation. The young buds of TPS amused & entertained one and all with their humour through parodies, satires and humorous poems and jokes. An Intra Class Hasya Kavi Sammelan was organized for classes 4th-8th. Children thoroughly enjoyed when the finalists presented their self composed poems in most humorous way and made the audience burst in to bouts of laughter.

Adventure camps aim at inculcating qualities of leadership and team spirit in the students' personality. The School Adventure Camps was organized for students of IV & V in the month of Nov. They enjoyed all camping activities and a magic show. Wall climbing and flying fox were a big hit.

Assemblies for class I-V held on personal hygiene traffic rules, balanced food, offered them opportunity to understand each one of them in their daily life.

Classes VI-VIII had their class assemblies depicting culture and tradition of different countries of the world like Germany, Australia, Denmark, Bhutan. The attractive PPT presentations enhanced students' knowledge about their historical places, cuisines, language, costumes, currency, airlines, leaders etc.

It is very important to teach students social values. Value based assemblies have been an integral part of school curriculum. Students learnt values of integrity, respecting their elders, honesty, bravery, truthfulness, regularity, punctuality through skit based assemblies.

Kindergarten Shines Academic Session-2017-18

Orientation Day was organized on 8th April'17 for parents of kindergarten to make them understand the concept of **Good Parenting** and to teach their kids **good touch & bad touch** to stay safe at all places. Queries of the parents were answered to their satisfaction

Month of May witnessed grand celebration of **Mother's Day** on May 6th, 2017. Mothers walked on the ramp with their little ones in beautiful, elegant, modern and traditional attire and competed for 'Mother Vibrant', 'Mother Glamorous', 'Mother Elegant', 'Mother Radiant', 'Mother Adorable', 'Mother Charming' & 'Mother Gutsy'. The competition was appreciated by everyone present as it gave an opportunity to showcase their latent talents.

A **Pool Party** was organized for kindergarten kids to give a kick start to summer vacations on 18th & 19th May. Little ones thoroughly enjoyed the fun day in cool water and played water games under the supervision of the teachers.

An Exhibition was held for the kindergarten parents on July 22nd'17. Art & Craft work of children and their holiday homework was put up for exhibition. Children also conducted simple Science Practicals which amazed the parents. "Kindergarten band also rendered musical presentation- My Musical World". Kindergarten kids had been attending Yoga Club, Carrom Club, Music and Dance Club throughout the year. Hence on the Exhibition Day they exhibited their Yoga & Musical Skills.

'Red Day' Celebration introduced indoor and outdoor physical activities such as bouncing, dribbling, zig-zag walking, balancing & aiming ball in the basket ball. While doing these activities they learnt concepts of shapes and colours in a play way method.

Grand Parents Day was celebrated on November 8th, 2017. Parents were very enthusiastic to participate. They gave lively performances like Dance, Bhajan, Poem Recitation. Games were organized for them to judge how much they know their better half. After a difficult judgement Mrs. Bimla Devi, Grand Mother of Tanvi Class Pre-Nur-B was adjudged 'Queen Grand Mother' and Mr. Sheetal Jain Grandfather of Bhavya Jain Class Prep-C was adjudged 'King Grandfather'.

A fulfilled **Sports Day** was organized for students of kindergarten. Class I and II presented cultural bonanza which mesmerised one and all. To entertain the kids many fun games were on the cards like Fastest, Legs first, Bunny n Carrot, Pasting apples on apple tree, Passing the batten etc. The parents cheered and applauded all the participants. Couple race on the **Red Carpet** for the better-half was organized for the parents. Children were very happy to receive medals and certificates.
