

QUEST 2016

Tagore Public School, Palwal

There is no greater calling than to teach young people. School team at Tagore Public School is ready, willing and dedicated to provide quality education with high expectations, for learning in a safe and secure environment. We seek to inspire a passion for learning. Students are always at the very heart of, what we do, through seeking and creating ways to enhance students learning. My earnest desire for my students is, for a fruitful and successful journey of their lives.

Manorma ARORA, Academic Director

The year 2015-16 has been brimming with enthusiasm and buzzing with activities to develop and harmonise the mental and intellectual personality of the students.

Tagore Public School started the year 2015 with a bang by hosting the mega chess tournament of Haryana Chess Association, in which 18 schools, 7 colleges participated. Sneha P. Roy of TPS was declared 'The Best Star'. She and Ashmita qualified for state level... The best outcome of the event was that many budding chess stars were able to exhibit their talents.

Mother's Day was celebrated to bring out the creativity and latent talent of the young mothers of our tiny tots. Cold Salad Making competition was organised for them to mark the day, where in 75 lively, enthusiastic mothers participated. It turned out to be a majestic event where mothers discovered their bond with their little ones through culinary skills.

Summer vacations of 2015 turned out to be an excellent opportunity for the Tagorians as they experienced the joy of cooking without fire, art and craft activity, vocal and instrumental music, calligraphy, literary activities, dramatics along with many indoor and outdoor games like chess, carrom, badminton etc.

The Earth Day was celebrated on 22nd May 15. To mark the day, the students were made aware of the pain of the Mother Earth, she is experiencing through pollution and how the land pollution is hazardous to animal's life. Children did poster making, painting, slogan writing to celebrate this day.

'The price of excellence is discipline' At Tagore we believe in blending academics with discipline along with extra curricular activities to achieve excellence. In today's changing, challenging and ever increasing demands of the world, knowledge is power only. This power can ultimately lead to success. I wish our children to be wise, knowledgeable and enlightened to take informed decisions in the journey of their lives. Stay blessed...

Kapila Indu, Principal

Special Celebrations during the Academic session 2015-16

Saluting the Nation

Independence Day was celebrated with great fervour and a special assembly was held in the school. As a part of craft activity students made an Indian tricolour of size 8'x20' which was prominently displayed in the assembly arena.
