ABOUT VBPSN MUN

VISION

The aim of Model United Nations (MUN) is to address conflicts through collaboration rather than confrontation, offering an accurate imitation of the real UN. MUN serves as a gathering of sovereign nations worldwide, presenting delegates with the opportunity to grasp the intricacies and nuances of global issues while learning to tackle challenges through collective efforts.

It seeks to incorporate various ideas and backgrounds, incorporating personal experiences to extract the most pertinent solutions. Upholding its ideals and principles without compromise, MUN also motivates sovereign nations to handle formidable tasks diligently and patiently, even in the face of adversity.

MISSION

Since its humble beginning in 2020, VBPSN-MUN has dedicated itself to nurturing social awareness, empathy, and leadership qualities amongst the students. Our students are encouraged to confidently exercise their rights and leverage, their diplomatic and debating skills to their utmost potential and encouraging them to take initiative and responsibility from a young age, all while nurturing a profound passion for their aspirations.

VBPSN-MUN is dedicated to ongoing enhancement and steadfast diligence, leading the way into a fresh era firmly rooted in the values of excellence and honesty. With this third version of our enthralling MUN, we are unwavering in our mission to transform VBPSN-MUN into an institution wholly devoted to improving the world we reside in.
